Using the online submission and review system Editorial Manager, it will be possible to submit and track your manuscript for the *Journal of General Plant Pathology* with ease. Editorial Manager offers a complete Internet-based environment for the submission and management of manuscripts.

After the system goes into operation in April 2007, authors are requested to use Editorial Manager for all submissions of new manuscripts.

Editorial Manager makes it possible for authors to submit manuscripts via the Internet, provides online peer review services, and tracks manuscripts through the review process. Key features include automatic conversion of authors' submissions into PDF format as well as supporting submissions in various file formats and special characters.

Authors are requested to use Editorial Manager for all submissions of new manuscripts.
